

## CALL FOR PARTICIPATION

### International Conference of PhD students in the field of Visual Arts "SIMPOZION", 6th edition 20-21 June 2024

"SIMPOZION" Conference is an interaction platform dedicated to doctoral students in the field of Visual Arts from the universities and faculties of art and design, organized by the Doctoral School of Arts of the West University of Timișoara, Romania, part of the UNITA Alliance.

The broad spectrum of artistic research concerns, encompassing a variety of concepts, hypotheses, experiments, techniques or solutions, lead us to leave the thematic area unfettered so that all PhD students can share their own project. We therefore encourage a climate of expression and debate open to any research topics, manifested in the diversity of theoretical and practical forms and the exchange of ideas and best practices applicable to artistic research through art or about art.

PhD conference will take place in hybrid system: physical, at the Faculty of Arts and Design, str. Oituz no. 4, Timișoara (RO), Mansarda Gallery and on the Googlemeet platform. The registration will be done by filling in the data requested in the submission form below, mentioning the way of participation (physical or online). The conference program and the connection link on the online platform will be transmitted with the selection results communication.

We are looking forward to meeting you! For any questions, feel free to contact us.
