

# 2023 GSK Synthetic Organic Chemistry Postgraduate Symposium

Stevenage, Hertfordshire  
United Kingdom | October 2<sup>nd</sup> – 3<sup>rd</sup>

## What?

The symposium includes both poster and oral presentations. Each 20 minute participant talk will be followed by 10 minutes for questions. Further, a number of poster presenters will be selected to deliver flash oral presentations.

## Who?

Postgraduate researchers (from 1<sup>st</sup> Year up to and including those in Year 4 of PhD study) working in the areas of synthesis, catalysis, methodology and mechanistic studies.

## How?

Submit a one-page abstract by **Friday 31<sup>st</sup> March 2023**.  
Selected candidates will be notified by **Friday 12<sup>th</sup> May 2023**.  
Based on abstract assessment at GSK, applicants will be selected to deliver either an oral or poster presentation, or both.

## Prizes

Prizes will be awarded for the best oral presentation and the best poster

### Deadline

Oral and Poster abstract deadline:  
**Friday 31<sup>st</sup> March 2023**

### Abstract submission to:

Dr Harry Kelly, c/o:
