Code of Good Practice	Steering Committee 26 July 2009	YES

Structure School of Doctoral Studies

- EDUZ: is defined as a **centre** of the University of Zaragoza.
- Members: this includes doctoral programme coordinators and support staff (programme administrative staff).
- Management team: deputy directors and management **assistants**.
- Governing bodies: Director (elected by universal suffrage) and Management Committee.

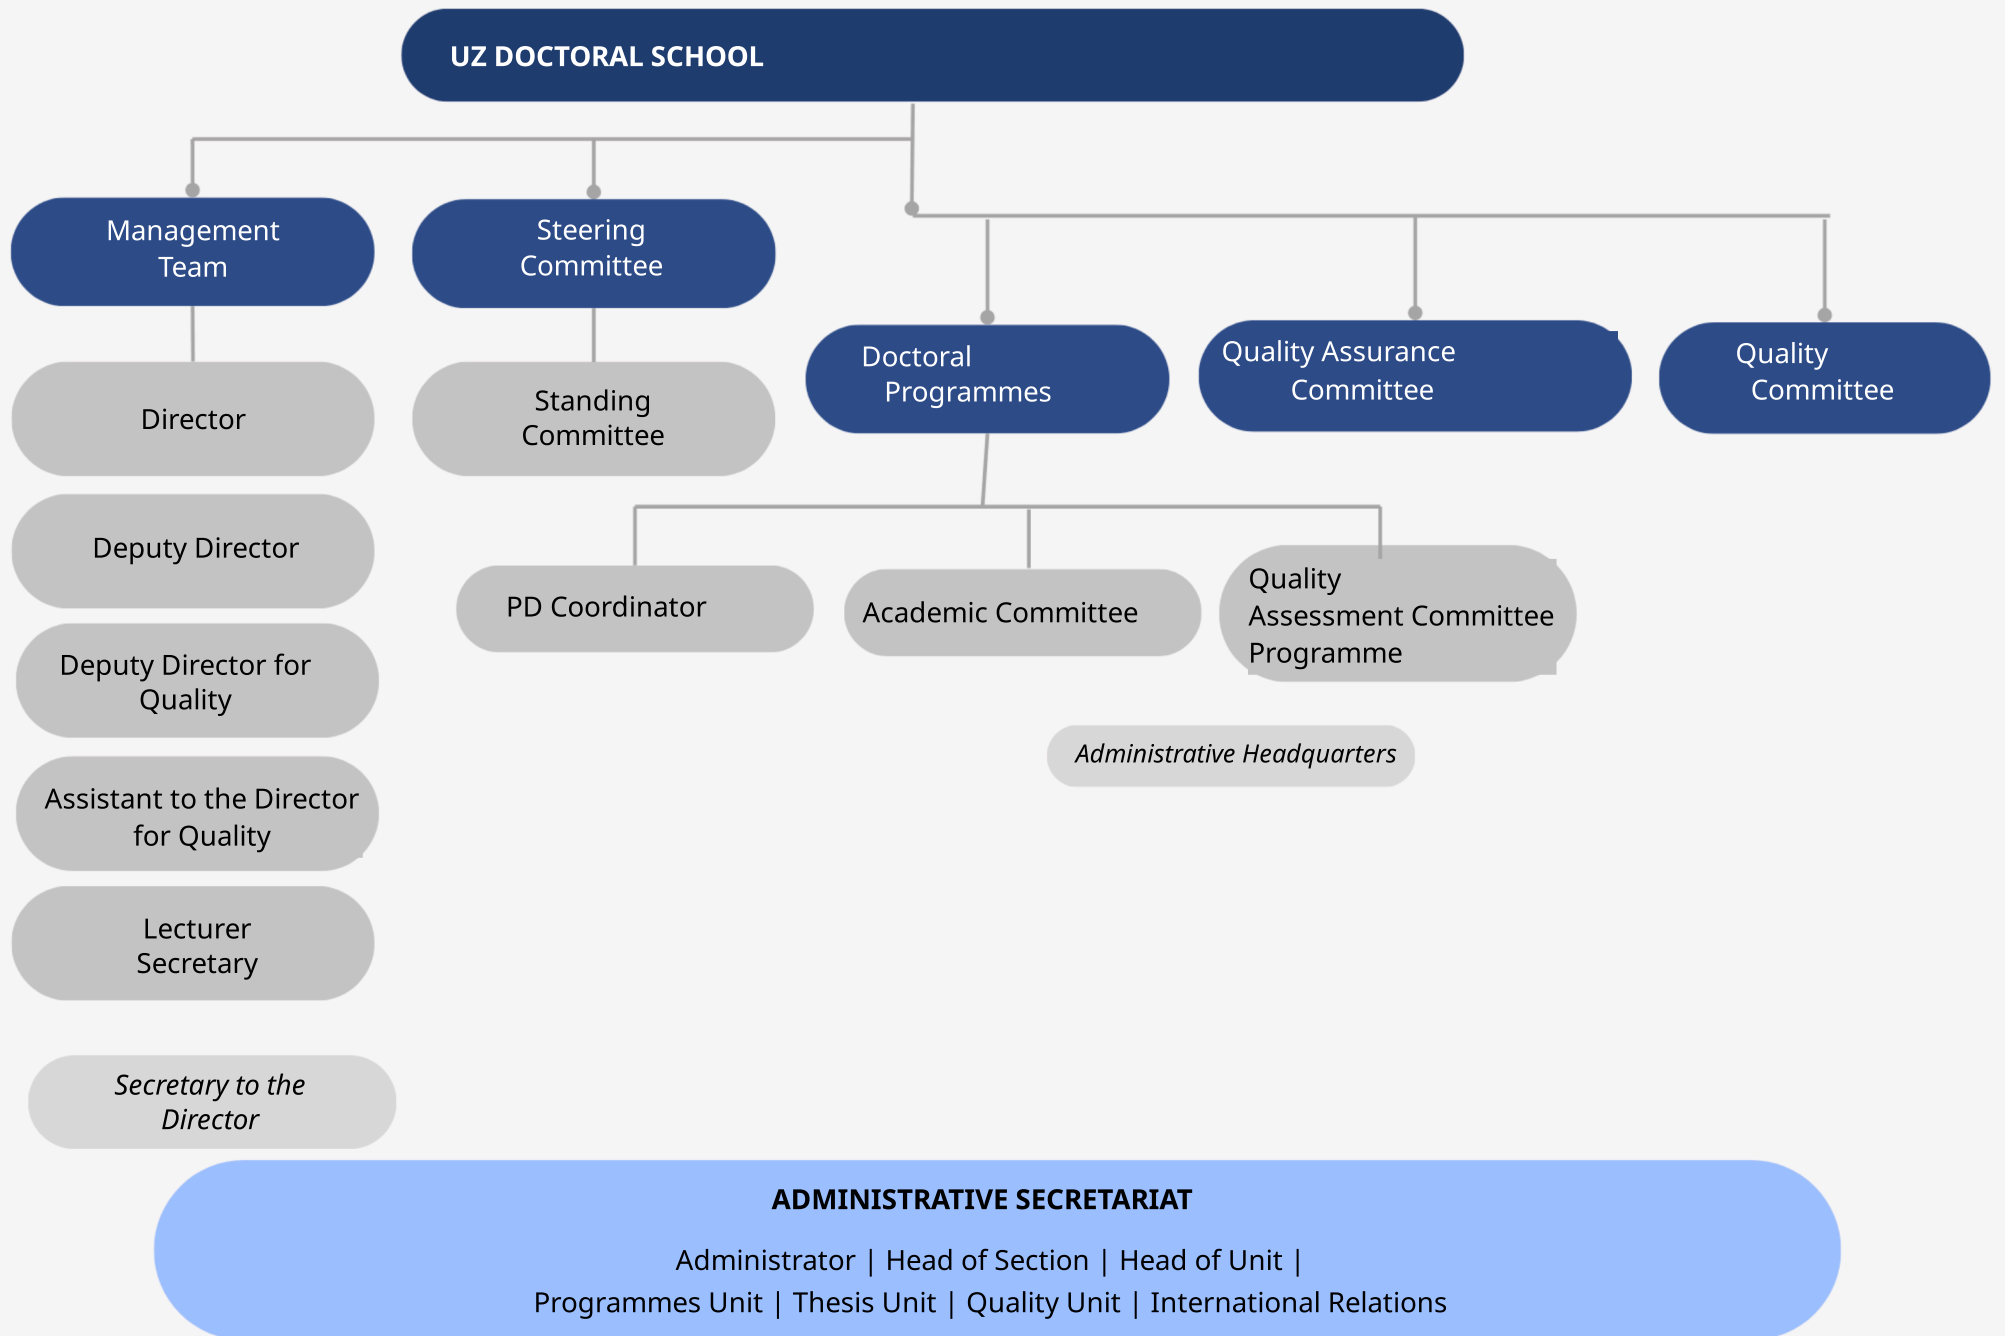

The following bodies assist the governing bodies:

- The Standing Committee of the Management Committee.
- The Academic Committees of the doctoral programmes.
- The Quality Assurance Committee for Doctoral Studies
- The Quality Committee
- The Quality Assessment Committees for the doctoral programmes.

REGULATIONS:

Internal Regulations
of the
Doctoral School

Structure of the Doctoral School

Process for submission of doctoral theses

REGULATIONS

Thesis Regulations.
Procedure for submission,
approval and defence.

Admission to the procedure and proposal for the examination board

- Academic Committee
- Deadline of 15 academic days

External reports

- Programme Headquarters
- 5 calendar days to accept / 30 days for the report

Authorisation of deposit

- Academic Committee

Public defence

- 5 working days

Authorisation of the defence

- Standing Committee, 15 academic days from the end of the public presentation

**Acceptance for consideration and proposal of the examination board
(Academic Committee)**

in parallel

External reports

- The programme's host institution is responsible for obtaining reports from experts

Notification to EDUZ

- EDUZ verifies that the examination board meets the requirements

Request for external reports

REGULATIONS

Thesis Regulations.
Procedure for submission,
approval and defence.

Key points

To avoid problems later on, it is important to check the following **before requesting the reports**:

- That researchers **affiliated with UNIZAR** are not included in the list of external reviewers.
- That researchers from the **same institution or from Spanish universities** are not included in the list of external reviewers, in the 'international' category.
- That **there is no** shared **authorship** between the PhD student and an external reviewer.

Proposal for the Examination Board

REGULATIONS

Procedure for submission, approval and defence.

Key points:

- It is recommended that the proposed **secretary** (who must be currently employed) **belongs to UNIZAR**.
- The proposal must be **gender-balanced** (Royal Decree).
- When proposing **substitutes**, it must be borne in mind that, should the examination board be called upon to act, it must continue to comply **with the requirement for gender parity, a majority of members from outside the programme and UNIZAR**, and, in the case of theses with an international focus, **the presence of an expert from a non-Spanish higher education institution or research centre**.

Recognition of research experience

REGULATIONS

Agreement of 9 July 2026
Steering Committee
concerning the requirement
for
accredited research activity
of
supervisors, tutors and
examination board members

Decision-making body

- ED Quality Assurance Committee (by delegation)

Key aspects

- Eligibility is restricted (only for cases where the applicant is unable to undergo the six-yearly evaluation and has held a PhD for at least two years).
- The assessment criteria remain unchanged.
- Equivalent qualifications are defined for the purposes of sitting on examination boards:
 - They are accredited by ANECA as a Tenured Professor or higher
 - They are tenured scientists at the CSIC or of a higher rank
 - ~~Have supervised 2 doctoral theses~~
 - Are Principal Investigators (PI) or co-Principal Investigators (co-PI) of an AEI or European Commission project.

Procedure

No change → via Solicit@

Theses in 'compendium' format

REGULATIONS

Thesis Regulations.

Agreement of 9 July 2026 by the Steering Committee regarding the Criteria for the authorisation of theses in the form of a compendium of publications.

Decision-making body

- Favourable report from the PD's Academic Committee
- Approved by the Standing Committee (formerly the Doctoral Committee)

Procedure

- A **narrative** must be included in the application.
- The requirements remain unchanged, but the committee will ensure that the following have not taken place:
 - Review processes that cannot be verified
 - Editorial conflicts of interest
 - Poor publishing practices
 - Insufficiently justified authorship
- The compendium must be approved **before** requesting reports
- Once the compendium has been approved, the process is the same as for other theses.

Theses by videoconference

Key aspects

The EDUZ Director may authorise doctoral thesis defences in which **the doctoral candidate** participates via videoconference:

- In exceptional circumstances
- Upon receipt of a reasoned request from the doctoral candidate
- With the approval of the Academic Committee.

In all other cases (where a member of the examination board **participates** via videoconference)

no application is required.

REGULATIONS

Thesis Regulations.
Procedure for submission,
authorisation and defence.

Special awards

- Responsible body: CGCED (by delegation).
- Evaluation Committee for Extraordinary Doctoral Awards for each branch of knowledge.
- Effective from **the 27/28 academic year**

REGULATIONS

Regulations governing the award of special doctoral awards
