

Mr./Ms. _____,

enrolled in the Doctoral Programme in:

of the Doctoral School of the University of Zaragoza, declares that the document of the doctoral thesis presented under the title:

is, in accordance with article 13.1 of R.D. 99/2011, of 28 January, an original research work, without significant contribution from any source not properly acknowledged therein, and that all non-original content — including, where applicable, artificial intelligence tools — has been duly cited and declared in accordance with current regulations.

I also declare that this work has not been presented and will not be presented in the future as a doctoral thesis at any university or research institution, in Spain or abroad.

The doctoral thesis I am submitting is the result of my own intellectual and creative work, and it has been prepared in accordance with the ethical principles and standards of integrity upheld by the academic community.

I understand the University of Zaragoza's zero-tolerance policy towards unacceptable practices such as invention and/or falsification of results and plagiarism, and I am aware that the University reserves the right to revoke my doctoral degree and to take any legally appropriate action in the event of non-compliance with this commitment.

Finally, I have ensured the confidentiality of the data used and have handled the information appropriately, avoiding bias and discrimination.
